There is also separate sleep, changing, and toilet facilities.

Who are the staff?

Learn and Grow is founded and led by Laura Mooney, a GTCS registered teacher with over 10 years of Education experience. Our manager, Lisa Guild, has over 19 years of experience in childcare and will work closely with Laura. Most of Room Leads are fully qualified practitioners who are now working towards their BAs in childhood practice. Each room is also supported by qualified Early Years Practitioners. We also have some Modern Apprentices who are working towards being fully qualified within the next year.

85% of our full-time staff are fully qualified. 67% of our part-time staff are fully qualified. Our overall rate of qualified staff is 79%.

See our website for more information on staffing or the staff board on your show around when you visit the setting.
